

REASONS WHY TEENS, ALCOHOL, AND PROM DON'T MIX...

Injury • Unsafe Sex • Assault • Police Involvement • Drunk Driving • Death

Talk to your teen TODAY about the dangers of alcohol use.

We all want Prom Night to be filled with wonderful memories. Keeping your tone conversational, yet firm, will make your drug-free message stronger. Put as much time into prom safety as into the search for the right formal wear, and your teen will have a memorable and safe evening. Remember, it's important to talk to teens early and often so they make healthy choices that lead to "A Night to Remember" for all the right reasons.
