**is right next to the milk.**

One of the easiest places for kids to get alcohol is in your own kitchen.

Take stock of your supply. No one can drink too much if they can't get it.

**Keep Alcohol Out of the Hands of Kids.**

## ***WHAT'S HAPPENING ON THE LOCAL LEVEL?***

*In 2005 the TAP survey (Teen Assessment Project) was administered to Lin-Wood, Newfound, and Pemi-Baker area youth.*

*Findings showed that one out of three youth surveyed reported drinking alcohol monthly or more often.*

*Of the youth who drink alcohol, one out of two reported that beer, wine, or liquor was "very easy" or "easy" from them to obtain.*

*Of the youth who drink alcohol, one out of three reported drinking at home or at a friend's home WITHOUT parental permission.*
